

There will be a text document titled “root.txt”.

This is default username and default password is stored in it i.e. “passwd”.

There are two compatible release for 32 and 64 bit architecture.

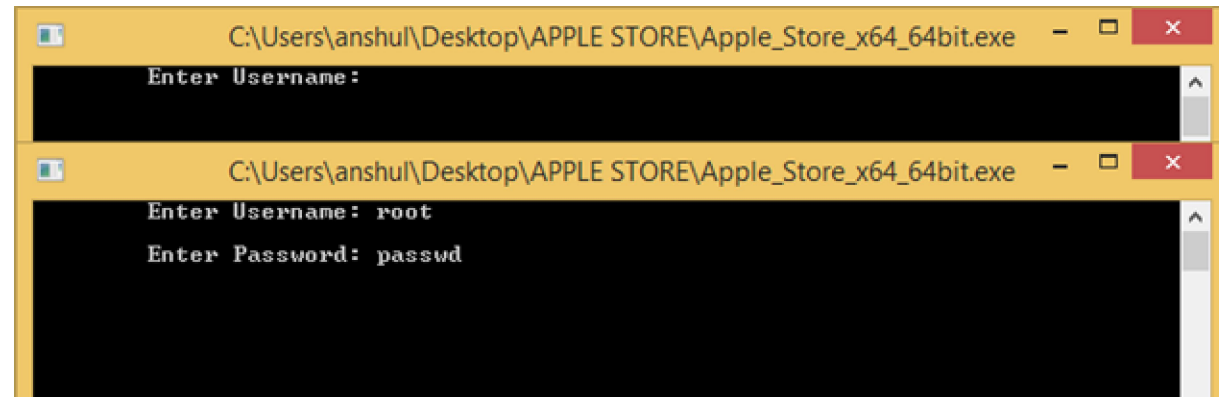

On opening compatible one you' ll see a welcome window along a short welcome song.

After welcome window you'll be redirected to login window where you enter your username and your password, if in case you don't have a profile then use the default one.

Afterward you'll see the main menu contains:

1-4: Product categories.

5, 7: To change password of an account if forgotten. And create a new profile.

6: Full Welcome Song (Mario).

8: Cart, to check out the products you have bought and save its receipt named as "Purchase@Apple Store@2016.memo".
